During the week of September 23, seven thousand Ozos were shipped to domestic and Canadian addresses supplied by Smith: five hundred to electronics manufacturers and suppliers, six thousand, thirty to a carton, marked "On Consignment," to TV outlets in major cities, and the rest to private citizens chosen at random. The instruction booklets were in sealed envelopes packed with each device. Three thousand more went to Europe, South and Central America, and the Middle East. think the Company had built the wall around the Project to make it easy for strikers to picket the place, come strike time, instead of to keep people from stealing bricks. The gate's pretty wide, of course, but four pickets can guard it easily, and the wall's high enough to discourage anybody from trying to scale it..with movie stars or international playboys), collected my fee, and grabbed a Thursday special at Colonel. "Well, that all sounds pretty ho-hum to me up against this," Song said. "Do you ... do you realize . . . what are we talking about here? Evolution, or ... or engineering? Is it the plants themselves that did this, or were they made to do it by whatever built them? Do you see what I'm talking about? I've felt funny about- those wheels for a long time. I just won't believe they'd evolve naturally." "What do you do?" she demanded. Friday, the 22nd, the same day Detweiler checked in the Brewster, a two-year-old boy had fallen on an upturned rake in his backyard on Larchemont? only eight or ten blocks from where I lived on Beachwood. And a couple of Chicano kids had had a knife fight behind Hollywood High. One was dead and the other was in jail. Ah, machismo! "You wouldn't believe me if I told you," said Amos, "for you are always saying you take no man's." About a day," Crawford said. "You have to destroy them to get out of them. The plastic strips don't.
