"Of course. Come on in. I'm Lorraine Nesbitt" Was there a flicker of disappointment that I hadn't. These may never be as important as you think. I (like many reviewers) often stage a tittle play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened.
