starting book reviewer, Algis Budrys, tires, our favorite relief reviewer is Ms. Russ. Here she offers. The house lights go all the way down; the only illumination comes from a thousand exit signs and the equipment lights. Then Moog Indigo troops onstage as the crowd begins to scream in anticipation. The group finds their instruments in the familiar darkness. The crowd is already going crazy..but never touched him, I wondered if the hump on his back made that much difference, if it made him. When another two weeks went by without the Board of Examiners saying boo, he couldn't stand the suspense any longer and went down to Center St. to fill out a form that asked basically where did he stand. A clerk coded the form and fed it into the computer. The computer instructed Barry to fill out another form, giving more details. Fortunately he'd brought the data the computer wanted, so he was able to fill out the second form on the spot After a wait of less than ten minutes, his number lighted up on the board and he was told to go to Window 28..huddled under his blanket. "A historian? Sure, it's a fine idea, but pretty impractical. I have to admit that. So there we are? a nice symbolic obtuse triangle. And yet? I could hear Detweiler's typewriter tickety-ticking away inside. Okay, Mallory, this is what you've been breaking your neck on for a week..The back of his shirt was churning. The scream continued, hurting my ears. Rips appeared in the shirt and a small misshapen arm poked out briefly. I could only stare, frozen. The shirt was ripped to shreds. Two arms, a head, a torso came through. The whole thing ripped its way out and fell onto the couch beside the boy. Its face was twisted, tortured, and its mouth kept opening and closing with the screams. Its eyes looked uncomprehendingly about. It pulled itself along with its arms, dragging its useless legs, its spine obviously broken. It fell off the couch and flailed about on the floor..On a day exactly eight months after the disaster, two discoveries were made. One was in the. "No." She shook her hair back over her shoulders.
