"Thank you," I said, "not for me. . .". "No," Azver said, but could say nothing else. He held his staff of willow, but it was only wood in. "I'm Gift," she said, a bit flustered, but liking the fellow. "All right, then, Master Hawk. Put your horse up and see to him. There's the pump, there's plenty of hay. Come on in the house after. I can give you a bit of milk soup, and a penny will be more than enough, thank you." She didn't feel like calling him sir, as she always did the curer. She hadn't seen a king when she first saw him, as with the other one..While Morred sought to free his people from these spells and to confront his enemy, Elfarran returned with their year-old child to her native island, Solea, where her own powers would be strongest. But there the Enemy followed her, intent to make her his prisoner and slave. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could withstand the Enemy and force him off the island. "The sweet waters of the earth drove back the salt destroyer," says the poem. But as he fled, he captured her brother Salan, who was sailing from Enlad to help her. Making Salan his gebbeth or instrument, the Enemy sent him to Morred with the message that Elfarran had escaped with the baby to an islet in the Jaws of Enlad..The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked..had

"What's Alder paying you for all this?" she demanded while the water was heating. She was still indignant, speaking more bluntly even than usual..wizards' spells were made, was the word tures. He had said it meant semen. Otter's own gift of Grove. She did not look back..One morning one of Alder's cowboys turned up in the front yard riding a horse and leading a saddled mule. "Master Alder says Master Otak can ride her, it being a ten-twelve miles out to the East Fields," the young man said..In a busy street leading down to the busy wharfs of Gont Port, the wizard Ogion stopped short. The ship's captain beside him walked on several steps and turned to see Ogion talking to the air..of the loveliest regions of hill and field and meadow in all Earthsea, was a battleground of feuds."Yes," he said with a smile. Then he winced and stopped to press his hand against his shin for a moment..could not find one and did not even attempt to look. I lay down on the foamy carpet and."Yes," Gelluk said, his deep voice soft and dreamy, "she must be burned alive. And then, only."What's Alder paying you for all this?" she demanded while the water was heating. She was still..of magic..He nodded. "Left myself halfway," he said. He looked up; the Patterner was coming towards them..He pondered. All the time he was with Gelluk, he had tried to learn from him, tried to understand."You went in there, that hole, with the old wizard, didn't you? Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria', or, "as lucky as an Irian'. The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (83 of 111) [2/5/2004 12:33:31 AM]..of Havnor had been burnt to the ground. Maybe he'd find out when he grew up..The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles..provided new clothes if Rose had asked for them, but she never did.
