Perhaps he should have persuaded Sirocco not to endorse the request. On the other hand, if anything recommended by Sirocco was inverted to start with, and if Pendrey was crazy but normal by the Army's standards, and if the premises that Pendrey was working with were also crazy, then the decision might come out in Colman's favor after all. Or would it? His attempt to think the tortuous logic of the situation once again was interrupted by Swyley at last leaning back and turning his face away from the screen..She was in time to see McKillian and Ralston hurrying into the lab at the back of the ship. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modem Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson doesf), and the writers of Bored of the Rings, the Lampon parody, from which came "Arrowroot, son of Arrowshirt".
